KINTSUGI STONE MOSAICS

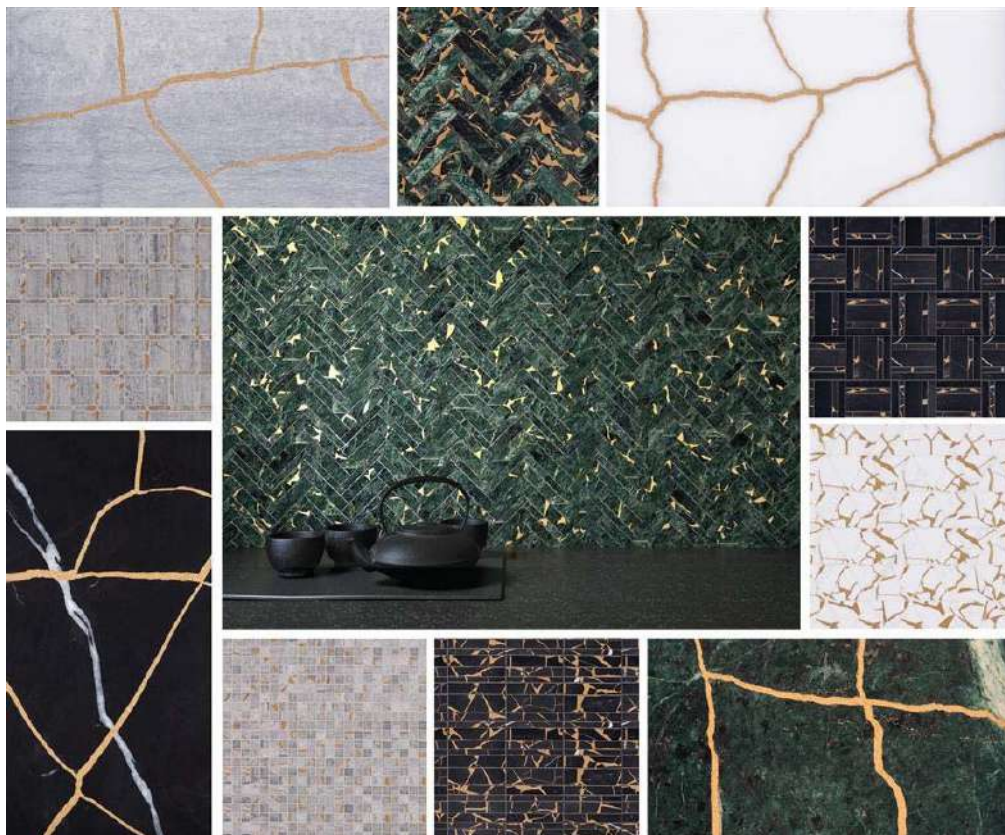

The Art of Broken Pieces

“Transformation is not just about putting the pieces of one’s broken life back together...it’s about a total reinvention of self in which our shattered pieces are alchemized into a beautiful, thriving masterpiece.”

Claybrook translates the traditional Japanese art of Kintsugi - the painstaking repair of broken ceramics with lacquer dusted with powdered gold into stone. Each piece in the collection is put together by hand, the unique random patterns and the breaklines define the beauty of Kintsugi.

Seeing beauty in that which is flawed and imperfect, the Kintsugi collection brings new life to stone.

All designs available in Nero Marquina, Verde, Thassos and Blue Forest as standard. Tiles available in 3" x 6" and 3" x 12".

FOUR SEASONS ASTIR PALACE HOTEL

Athens, Greece

An exciting partnership for 2018 with renowned New York based design firm, Meyer Davis Studio for the renovation of the legendary Astir Palace Hotel on the sophisticated Athens Riviera to form Greece's first Four Seasons Hotel.

Looking forward to sharing further details and photos of this stunning property with you soon.

FENG SHENG LI MALL

Shanghai, China

Located in the historic Nanjing West Road district of Shanghai, the reconstruction of Fengshengli has preserved the original architectural aesthetic of the distinctive “Old Shanghai” style buildings. The Egg basins were selected for the contemporary art deco washrooms.

AMANKORA RESORT

Bhutan

What a thrilling ride it has been working with Kerry Hill Architects on the breathtaking Amankora Resort project in Bhutan, stay tuned for further details and photos.
