THE BERKELEY LONDON

United Kingdom

The Berkeley London recently unveiled two signature suites by award winning Hong Kong-based designer Andre Fu of AFSO, the Crescent Pavilion suite and the Grand Pavilion suite. Several fifth floor rooms in the iconic property were consolidated into two sprawling suites, each featuring a contemporary glass pavilion surrounded by a sweeping terrace with breathtaking views overlooking Belgravia.

The Crescent Pavilion

This 2,300 sq ft two-bedroom suite feels like your own private residence in the heart of London. Claybrook's Spatium free standing bath was hand picked for the master bathroom by Andre Fu, with its integrated shelf for accommodating amenities making it the perfect choice for a hotel interior.

The Grand Pavilion

The serene two-bedroom Grand Pavilion suite is similarly finished in an Asia-lite blend of lacquer, green silk, hand-stitched wall panels, antique brass lights, and a hand-gilded glass screen. A bespoke free standing bath was designed by Andre Fu to compliment the contemporary interior.
