K11 ARTUS RESIDENCES

Hong Kong

Comprising 287 luxury residences, ARTUS is an extension of the K11 brand, the global high-end lifestyle brand that embraces Art, People and Nature. Capturing these three core attributes of the K11 brand, the ARTUS name is a portmanteau combining the English word "Art" with the Latin term "Domus", meaning "home".

One of the impressive 3,464 sq. ft Penthouses pictured above, created by renowned Hong Kong interior designer Joyce Wang, features bespoke finishes, luxurious materials and textures, and sophisticated custom furniture and art pieces which come together to create a curated sense of space.

We worked closely with Joyce to realize her vision for the Penthouse bathrooms. Claybrook Soho basins in hand-carved Calacatta Borghini marble and a bespoke freestanding round bathtub adorn the sumptuous master bathroom with sweeping views of Victoria Harbour.
