

# KARL LAGERFELD HOTEL

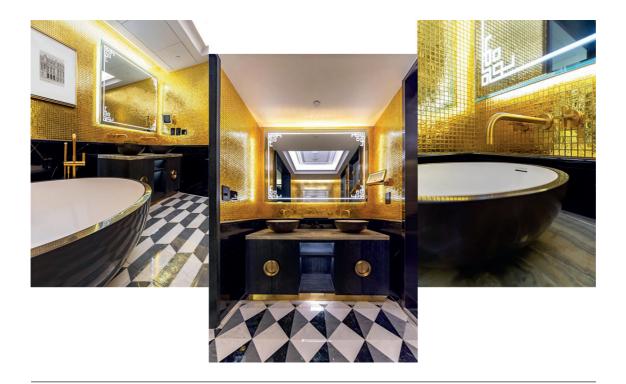

Macau

The Karl Lagerfeld Hotel, a luxury hotel at the Grand Lisboa Palace casino resort in Macau, officially opened its door in December 2021. It is the world's only hotel tower entirely designed by and named after the late fashion icon, who passed away in 2019.

The thoughtfully designed five-star accommodations include 270 guest rooms and luxury suites complemented by East-meets-West elements. Every feature, pattern and material in the hotel was personally conceived or selected by Lagerfeld, offering an exclusive view into his distinctive, bespoke vision.

Claybrook was honored to work with the design team on this iconic property. The refined bathroom interior design is complemented by our bespoke dual-tone MarbleForm baths and basins in a striking combination of Thunder Grey and Dover White hand selected by the late fashion guru.

### THE ST. REGIS BERMUDA RESORT

#### St. George, Bermuda

A haven of oceanfront elegance situated in the historic town of St. George. The St. Regis Bermuda Resort is mere steps away from the soft white sands of St. Catherine's Beach. The property features 120 guestrooms and 21 suites, each with private balconies and stunning views, creating an iconic resort setting with lavishly appointed accommodation.

Claybrook bespoke MarbleForm® baths with natural stone clad surrounds were placed center-stage in all the luxury bathrooms. Our artisans painstakingly cut and polished the stone to seamlessly inlay it in to the MarbleForm® surround. The other challenge faced by our team was the creation of a modular design to facilitate shipping and simplify the installation process, and boy was the effort worth it!
