VIVID MOSAICS

Brighten Up Your Day

The Vivid collection is the reinvention of five of our most iconic designs in vibrant gem-tone stones. Luxurious and unique, yet at the same time a fully sustainable solution, the designs are realised using excess off-cuts of our most exclusive stones. Fully utilising these jaw-dropping materials to stunning effect.

Tiles go in and out of fashion but natural stone is a truly timeless design choice. Add some colour to your home with our Sky Blue, Lilac, Olive, and Blush hues designs.
